

Commissioner Killeen's Position on Reproductive Rights

I am a life-long supporter of reproductive rights and the right to choose. I signed the "Reproductive Freedom for All" petitions a few months ago. I want to let folks in County Commission District 1 know where I stand.

I have also been a long-time supporter of MI List, a political group whose purpose is to support pro-choice women candidates for public office. Please visit www.milist.org if you do not know about them. They do great work and are very worthy of your support.
